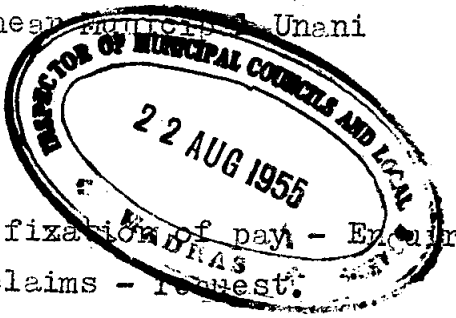
Humble petition of K. Abdul Razack, Ex-compounder, Mangalore Municipality, residing near Municipal Unani Dispensary, Golikatta, Mangalore.



Sir,

Sub: Establishment - Unjust fixation of pay - Enquiry and payment of arrear claims - Request.

I was working as a compounder in the Municip l Unani Dispensary, Mangalore. I had undergone the compounders training at Madras for one year, but as ill luck would have it I failed in the final examination. I was therefore considered as an unqualified compounder and being paid the scale of pay admissible to unqualified compounders, i.e., Compounders Grade II

While I was being paid at Rs. 17/- per month, I was surprised to find that one Sri. Devappa Suvarna who has undergone village vaidya course for six months in the Govt. Wenlock Hospital, Mangalore, and who does not hold the diploma of qualified compounders issued by the Govt. Board of Examiners in Indigenous Medicine, Madras, being appointed as I grade compounder, i.e., qualified compounder, and paid Rs.30/- per month i.e., the pay admissible to qualified compounders. He was appointed in the year 1951, and still continues in service as I grade compounder as though he is a qualified compounder. I resigned my post of compounder only because I was paid in a lower scale of pay while a less qualified candidate was being paid in a higher scale.

In the ~~circum~~ interest of justice and equity, I request that you may be pleased to enquire into the matter, and pass orders for the grant of the same pay and allowances allowed to Sri. Devappa Suvarna for the entire period of my service in the Mangalore Municipality, and for the payment of arrears of pay admissible to me in consequence thereof, viz., the difference between thep y admissible to unqualifiedcompounders nd the

qualified compounders at an early date.

For which act of kindness I shall ever remain grateful.

Yours faithfully,

Razack
